Peter:

Here are the securities bought or sold by the 40 Pension Plans, as of March 31, 2015 for Form S. As you can see in the report, all exceeded USD 350 million. We base this on settlement date, not trade date.

I can also confirm that as of the end of March, no Plan had holdings over USD 1 billion.

Let me know if you have any questions.

Thanks,

Rich
